CANADA'S MILITIA ACT

BORDEN TO CONSULT BRITISH WAR OFFICE

Canada Should Have Canadian Officer in Command of the Canadian Militia.

(Bulletin Special Dispatch).
Ottawa, Nov. 24.—Sir Frederick Borden expects to leave for England on Saturday next. He will go by the Cunard line from New York.

Lord Minto received a cable to-day from Lord Lytton, inviting Sir Frederick to London to discuss with the British war office Canada's proposed Militia Bill.

During the early part of last session Sir Frederick Borden introduced a bill making important changes in our militia. It was held over at the request of the House authorities to enable Sir Frederick to go over to England and discuss the whole matter with the British war office authorities.

One of the changes is to enable a Canadian officer to hold the office of general commanding the Canadian militia. At present it has been an imperial officer who fills this post. There are also other important changes in the measure.

MUNICIPAL MEETING

Held in Robertson Hall Last Evening Was Largely Attended By Ratepayers.

The municipal meeting held in Robertson hall last night was largely attended, the hall being well filled with ratepayers. Mayor Short and Councilors Gallagher, Cushing and Heinmink were on the platform. Mayor Short announced the purpose of the meeting, the annual account giving. He referred to the financial statement of the town as published yesterday. As each councillor is a chairman of a committee, he called on the councillors present, Cushing, Gallagher and Heinmink, to give an account of the work done by their committees.

Mr. Cushing referred to the work of the Finance Committee; Mr. Gallagher to the Health and Relief Committee; and Mr. Heinmink, of the License and Police Committee. Mayor Short followed with an account of the working of the electric light, waterworks and sewerage systems. He outlined a couple of new departures in municipal government, power to adopt which was now being obtained by the town of Edmonton. He also referred to the street railway system.

After the meeting had been declared open, there was a slight discussion over a matter of assessment, raised by Jas. McDonald, and the matter of street lighting, raised by H. C. Taylor. J. H. Picard referred to various questions that had come up during the evening's discussion. This closed a very quiet meeting. A full report of the meeting will appear in to-morrow's Bulletin.

OPERATIC AND DRAMATIC SOCIETY

At a meeting held in the office of Messrs. Alvin and Williams on Monday evening, the Edmonton Operatic and Dramatic society was formed, with the following officers:—
Hon. President, Judge Scott.
President, R. W. Day.
Hon. Vice-Presidents, Messrs. Scott and Oliver.

The fee for honorary members will be \$2.50, which will entitle them to two tickets. The subscription for active members has been placed at one dollar.

A large guarantee has been raised among those interested in this venture and it is hoped that the society will be placed on a permanent basis.

HOCKEY MATCH.

The first hockey match of the season was played in Thistle rink last night between two local teams, captained by Ed. Sibbald and Harry Helliwell. The ice was fairly good and a large crowd witnessed the match. Considerable new material was on the ice. During the progress of the game Arnold Johnston, changed off with M. McDermott. At half time Helliwell's team led by six goals to three. At the conclusion of the game they had increased their lead by two goals, making the final score eleven to six. The following was the line up:

Sibbald's	Helliwell's
Goal.	Goal.
L. Goodridge	J. C. Humeaston
R. A. Robertson	Point.
P. Danford	Bayford
E. Sibbald	W. McKay
Centre.	Rover.
Cummings	F. Wright
Right Wing.	R. Delaney
H. S. F. Greenwood	A. McLeod
M. McDermott	Left Wing.
Referee, Dr. Strong.	H. Helliwell
Goal umpires, Bishop and Johnston.	

Edmonton will probably have a second team of almost equal skill to the first team this year.

HOME MISSION WORK

Rev. Dr. Herdman delivered an address on home missions at the Christian Endeavor Society at the Presbyterian church on Monday evening. A large number were present. Dr. Herdman touched briefly on what had been done by the church in both British Columbia and Alberta. Alberta is now included under the name of the British Columbia home mission district. The great progress which Alberta has made will soon necessitate the forming of a new church district. He urged co-operation among the different churches. Where one denomination was strongest, the other mission churches could remove to newer fields. In this way the work could be done at a less expense and much more good would result. He urged the Christian Endeavor Societies to support one or more missionaries in the home field. The address was exceedingly interesting throughout and the Christian Endeavor Society have resolved to take up the matter of supporting a missionary in the home field. This matter will be thoroughly discussed at next Monday night's meeting.

Dr. D. G. McQueen followed with a few remarks heartily endorsing the words of Dr. Herdman. A male quartette gave a selection entitled I Shall Be Satisfied.

George Gibson has returned from Edmonton hospital much improved in health and has a good name for the hospital authorities. We are all glad to see the genial George at home in his neat cottage on the banks of Dry River.

The trustees of Nutbrough school district have had stones taken out and a fire guard ploughed preparatory to building a frame schoolhouse, 22x28. They anticipate having the school open on April 1st, 1904.

Dinwoodie post office was opened on October 1st. The service is from Beaver Lake via Vegreville, once per week. It fills a long-felt want. Over fifty settlers already get their mail there.

The annual meeting of the Vermilion Valley and Beaver Lake Agricultural society takes place at Vegreville on November 28th next. It is to be hoped the people of Dinwoodie district will attend and see that the directors are men who mean to push the district in which the society operates, ahead.

Major Hubbell, D.L.N., was a visitor at Dinwoodie for two days last week. He is moving east to township 52, range 12, to complete the balance left of the township he surveyed 9 years ago. In conversation with Mr. Hubbell he stated our lakes were swarming with fish when he was here last.

Rev. W. A. Rae and wife returned from Edmonton this week with supplies for the winter.

Freighters now get \$1.25 per 100 pounds from Edmonton to our district store. Our prayer is, Haaton the railway, every time after making a trip to the metropolis of the north.

R. R. McNutt, J.P., went to Edmonton to dispose of a load of creamery butter, manufactured at his Lakeside Ranch and commercially known as Vermilion Gold.

J. Dinwoodie returned from Edmonton to his store with a load of freight last week and reports roads good. Our annual road maker has fixed the mud-holes and the snow is not heavy. Wheeling goes easy.

SUCCESSFUL PARTY

Communicated.

A dance given by Mr. and Mrs. Hanlan, Agricola, on Friday evening, 20th inst., afforded a great opportunity to the lovers of Terpsichore to spend an enjoyable night.

Two team loads of merry-makers drove from Edmonton, and after a warm reception and a good, substantial lunch, they were all scattered to the merry rhythm of the waltz. Mr. and Mrs. Hanlan were particularly lavish in their arrangements; the large room had been specially fitted for dancing, the best obtainable music had been secured, and the wants of the guests were zealously looked after. There was many a modern Priscilla to be seen among the fair guests, and these reminders of the Puritan past proved the most popular, judging from the numbers of dancers who sought the favor of waltz or two-step. About midnight a delicious luncheon was served, for which elaborate preparations had been made and at the conclusion of the meal dancing was continued and kept up till an early hour. The party from town arrived home at 7 a.m.

We are glad to hear that Mr. Fred J. White, of this town, who met with a serious accident last week in Strathcona, is progressing favorably.

We are sorry to say that the curing rick committee have been unable to complete excavation for a rink this winter, owing to the severity of the weather.

We are glad to say our little town is booming rapidly; store upon store, house upon house, is being erected, and trade is rapidly increasing.

On Sunday afternoon last the St. George's parish church held its Harvest festival services, conducted by its pastor Rev. G. U. d'Easum. The service was mainly choral.

Real estate is again booming and anyone who wants cheap snags should visit the Fort and see our agents.
